

Certificate

The German Association of Chemical Trade and Distribution (Verband Chemiehandel), Große Neugasse 6, 50667 Köln, herewith confirms that

**Theo Seulberger-Chemie
GmbH & Co. KG**
Fettweisstraße 2b, 76189 Karlsruhe

is a member of the programme **Responsible Care / Verantwortliches Handeln im Chemiehandel***.

An independent third party verification of the Self Assessment Questionnaire (element 4 of the programme) confirms that the contents and the formal terms of the programme have been fulfilled.

This confirmation is valid until 31.08.2022.

Cologne, 12.09.2019

C. Westphal
(President)

R. Alberti
(Managing Director)

* The programme is available on the website www.vch-online.de →Responsible Care

The German Association of Chemical Trade and Distribution supports the worldwide Responsible Care Initiative based on the partnership agreement between VCH and the German Association of the Chemical Industry (VCI) and the agreement between the European Association of Chemical Distributors FECC and the European Chemical Industry Council CEFIC.
